1. Advancement procedures:

**Packs.** After den advancement reports are received from den leaders, this form is completed for the entire pack.

**Troops.** All Scouts who are ready for advancement appear before a board of review composed of at least three members. An advancement report must be sent to the council service center promptly following each board of review if advancement is not reported electronically. This report must be signed by at least three members of the board of review, including its chairman.

**Crews and Ships.** Venturers and Sea Scouts should give their advancement applications to their Advisor or Skipper who, in turn, takes them to the crew or ship committee for approval, then prepares, signs, and forwards this advancement report to the council service center.

2. Only MEMBERS with unexpired membership certificates can be credited with advancement. Eagle Scout candidates must be registered throughout the time they are working on advancement requirements, but need not be registered thereafter or when their board of review is conducted.

3. Fill in name and only one advancement award or merit badge on each line, but list all of one member's advancement consecutively.

4. The pack, troop, crew, or ship advancement committee members should interview youth members who are not advancing. List these individuals' names on the bottom of the form.

5. No Scouts BSA advancement may be earned by a Scout, Venturer, or Sea Scout who has reached the age of 18.

6. Venturers may earn Venturing advancement and Sea Scouts may earn Sea Scouting advancement through age 20.
