Consolidated Financial Statements
Years Ended December 31, 2024 and 2023

WIPFLI

Independent Auditor's Report

Board of Directors
Greater Hudson Valley Council Boy Scouts of America
Fishkill, New York

Opinion

We have audited the accompanying consolidated financial statements (the "consolidated financial statements") of Greater Hudson Valley Council Boy Scouts of America (the "Council"), a nonprofit organization, which comprise the accompanying consolidated statements of financial position as of December 31, 2024 and 2023, and the related accompanying consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements referred to above present fairly, in all material respects, the financial position of Greater Hudson Valley Council Boy Scouts of America as of December 31, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of Greater Hudson Valley Council Boy Scouts of America and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Greater Hudson Valley Council Boy Scouts of America's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Greater Hudson Valley Council Boy Scouts of America's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Greater Hudson Valley Council Boy Scouts of America's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Notes to Consolidated Financial Statements

Note 1: Summary of Significant Accounting Policies

Nature of Operations

The Greater Hudson Valley Council Boy Scouts of America (the "Council") was formed on January 1, 2021 from a merger of the Hudson Valley Council, Inc. Boy Scouts of America and the Westchester-Putnam Council, Inc. The Council operating in the counties of Westchester, Putnam, Dutchess, Orange, Sullivan, New York, and Pike County, Pennsylvania. The Council has three camping facilities located within the service area. The Council is an independent not-for-profit corporation devoted to promoting, within the territory covered by the charter granted it by the Boy Scouts of America and in accordance with the congressional program, the ability of boys and girls and young men and women to do things for themselves and others, training them in scoutcraft and teaching them patriotism, courage, self-reliance, and to prepare them to make ethical choices over their lifetime and achieve their full potential using the methods which are now in common use by the Boy Scouts of America. The Council delivered the Scouting program to 9,159 youth members in 2024.

The Council's programs are classified as follows:

Lion Scouts – A fun introduction to the Scouting program for kindergarten-age youth eager to get going! Lions do adventures with their adult partners and other Lions every month. This program introduces youth and their families to Scouting and the outdoors as it builds a foundation of character. A Lion den is part of the Cub Scout pack.

Tiger Scouts – One-year, family-oriented program for a group of teams, each consisting of a first grade (or 7-year-old) boy or girl and an adult partner (usually a parent). A Tiger den is part of the Cub Scout pack.

Cub Scouting – Family and community-centered approach for boys ages 8 through 10 for teaching citizenship, compassion, social skills and courage through service projects, ceremonies, games and other activities that promote character development and physical fitness.

Scouts BSA – Scouts BSA is a year-round program for youth 11-17 years old that provides fun, adventure, learning, challenge, and responsibility to help them become the best version of themselves.

Venturing – Provides experiences to help young men and women, ages 13 or 14 with completion of eighth grade through age 20, become mature, responsible, caring adults. Young teens learn leadership skills and participate in challenging outdoor activities, including having access to Boy Scout camping properties, a recognition program and youth protection training.

Learning for Life – Program that enables young people to become responsible individuals by teaching positive character traits, career development, leadership, and life skills so they can make ethical choices and achieve their full potential.

The Council's website address is www.ghvscouting.org.

Greater Hudson Valley Council Boy Scouts of America

Notes to Consolidated Financial Statements

Note 1: Summary of Significant Accounting Policies (Continued)

Basis of Accounting

The consolidated financial statements of the Council have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States.

Basis of Presentation

Net assets and revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Council and changes therein are classified and reported as follows:

- *Net Assets without Donor Restrictions* - The part of net assets of the Council that is not subject to donor-imposed restrictions (donors include other types of contributors, including makers of certain grants).
- *Net Assets with Donor Restrictions* - The part of net assets of the Council that is subject to donor-imposed restrictions (donors include other types of contributors, including makers of certain grants). Stipulations may be met, either by actions of the Council and/or passage of time. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. When a restriction expires, net assets with donor restrictions are transferred to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Basis of Consolidation

The Council has voting control and an economic interest in the Trust Funds which results in the Trust Funds' accounts being consolidated with those of the Council in the accompanying consolidated financial statements. All intercompany transactions have been eliminated in consolidation. The Council and the Trust Funds are herein collectively referred to as the "Council." The Council is a trustee under four different Trust Funds which are included in the endowment fund. Descriptions of the funds are as follows:

Fund A – Council: Fund A was formed in 1974 with distributions designated to support the Council's administrative and operating expenses.

Fund B – Camping: Fund B was established in 1994 with distributions designated to support camping operations and capital improvements.

Durland Fund: The Durland Fund was established in 1982 with distributions restricted for the support of Camp Durland, a.k.a. Durland Scout Reservation and other uses as determined by the Executive Board.

Bullowa Trust: The Bullowa Trust was established in 1946 for the benefit of the Hudson Valley Council. Under the terms of the Bullowa Trust Indenture, the income of the Bullowa Trust is to be used to pay for expenses to maintain Camp Bullowa, located in Stony Point, New York.

Greater Hudson Valley Council Boy Scouts of America

Notes to Consolidated Financial Statements

Note 1: Summary of Significant Accounting Policies (Continued)

Fund Accounting and Description of Funds

To ensure observance of limitations and restrictions placed on the use of available resources, the accounts of the Council are maintained in accordance with the principles of fund accounting. Under such principles, resources for various purposes are classified for accounting and reporting purposes into funds established according to their nature and purposes. The Council segregates and reports assets, liabilities, net assets, income, and expenses in three self-balancing funds as follows:

Operating Fund - The operating fund consists of expendable funds that are available for support of the Council's general operations.

Capital Fund - The capital fund is used to account for property, buildings, equipment, and legally restricted cash that is to be expended for property, buildings, and equipment and related debt payments. Also, included in this fund are investments either restricted or designated for capital repair and improvements where the income is either designated or restricted for those particular items. Revenues and expenses related to the capital fundraising campaign are also included in this fund.

Endowment Fund - Gifts, memorials, and bequests subject to donor stipulations that require the principal to be invested for perpetuity in donor-restricted endowment funds and amounts designated by the Board to be invested in Board-designated endowment funds. Investment income available for distribution is presented as net assets without donor restrictions.

Certain donor-restricted net assets have been restricted by donors to be maintained by the Council in perpetuity.

Cash

The Council considers all short-term cash accounts to be cash equivalents. The Council considers short-term investments with an original maturity of three months or less to be cash equivalents.

Accounts Receivable

Accounts receivable are recorded primarily for popcorn (product) sales and are reported at net realizable value if the amounts are due within one year. An allowance for doubtful accounts is based on an analysis of expected collection rates determined from experience.

The carrying amount of accounts receivable is reduced by an allowance that reflects management's best estimate of the current expected credit losses. The estimate of the allowance for credit losses is based on an analysis of historical loss experience, current receivables aging, and management's assessment of current conditions and expected changes during a reasonable and supportable forecast period. The Council uses an aging method to estimate allowances for credit losses. Management assesses collectability by pooling receivables with similar risk characteristics and evaluates receivables individually when specific customer balances no longer share those risk characteristics. An allowance for credit losses was not considered necessary at December 31, 2024 and 2023.

Greater Hudson Valley Council Boy Scouts of America

Notes to Consolidated Financial Statements

Note 1: Summary of Significant Accounting Policies (Continued)

Contributions Receivable

Contributions receivable consists of Friends of Scouting, special events and other promises to give. Unconditional promises to give are recorded as receivables in the year promised. Conditional promises are recognized only when the conditions on which they depend are substantially met. Promises to give whose eventual uses are restricted by the donors are recorded as increases in net assets with donor restrictions. Promises to be collected in future periods are also recorded as an increase to net assets with donor restrictions and reclassified to net assets without donor restrictions when received, unless the donor's intention is to support current-period activities.

Contributions receivable expected to be collected in less than one year are reported at net realizable value. Contributions receivable that are expected to be collected in future years are recorded at the present value of estimated future cash flows on a discounted basis applicable to the years in which the promises were received. The amortization of the discount is recognized as contribution income over the duration of the promise.

Management individually reviews all past due contribution receivable balances and estimates the portion, if any, of the balance that will not be collected. The carrying amounts of contribution receivable are reduced by allowances that reflect management's estimate of uncollectible amounts. As of December 31, 2024 and 2023, an allowance for uncollectible contributions of \$1,600 and \$1,450 was reported.

Interfund Loans

The interfund advances resulted from the Endowment Fund making advances of cash to the Operating and Capital Fund for operating purposes. Advances are scheduled to be repaid within one year are classified as current.

Inventories

Inventories consist of Scouting supplies and other items available for resale. Cost is determined using the average cost method. Inventories as of December 31, 2024 and 2023 are stated at the lower of cost or net realizable value. Net realizable value is the estimated selling price in the ordinary course of business, less reasonably predictable costs of completion, disposal, and transportation.

Greater Hudson Valley Council Boy Scouts of America

Notes to Consolidated Financial Statements

Note 1: Summary of Significant Accounting Policies (Continued)

Property and Equipment

Land, buildings, and equipment purchased are recorded at cost. Improvements or betterments of a permanent nature are capitalized. Expenditures for maintenance and repairs are charged to expense as incurred. The costs of assets retired or otherwise disposed of, and the related accumulated depreciation, are eliminated from the accounts in the year of disposal. Gains or losses resulting from property disposals are credited or charged to the appropriate fund. Land, buildings, and equipment are depreciated using the straight-line method over the estimated useful lives of the assets. It is the Council's policy to capitalize assets with a value of \$5,000 or more and with a useful life greater than one year.

Construction in progress is stated at cost and consists primarily of costs incurred in the construction of building improvements. No provision for depreciation is made on construction in progress until the assets are complete and placed into service.

Impairment of Long-Lived Assets

The Council reviews long-lived assets, including property and equipment, for impairment whenever events or changes in business circumstances indicate that the carrying amount of an asset may not be fully recoverable. An impairment loss would be recognized when the estimated future cash flows from the use of the asset and its fair value are less than the carrying amount of that asset. The Council has not recognized any impairment of long lived assets during 2024 or 2023.

Investments

Investments are generally recorded at fair value based upon quoted market prices, when available, or estimates of fair value. Donated investments are recorded at fair value at the date of donation, or, if sold immediately after receipt, at the amount of sales proceeds received (which are considered a fair measure of the value at the date of donation). Those investments for which fair value is not readily determinable are carried at cost or, if donated, at fair value at the date of donation, or if no value can be estimated, at a nominal value. Investment income or loss and unrealized gains or losses are included in the statements of activities as increases or decreases in net assets without donor restrictions unless the income or loss is restricted by donor or law.

Investments are exposed to various risks such as significant world events, and interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the fair value of investments will occur in the near term and that such changes could materially affect the amounts reported in the consolidated financial statements.

Greater Hudson Valley Council Boy Scouts of America

Notes to Consolidated Financial Statements

Note 1: Summary of Significant Accounting Policies (Continued)

Fair Value Measurements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an ordinary transaction between market participants at the measurement date. A three-tier hierarchy prioritizes the inputs used in measuring fair value. These tiers include Level 1, defined as observable inputs such as quoted market prices in active markets; Level 2, defined as inputs other than quoted market prices in active markets that are either directly or indirectly observable; and Level 3, defined as unobservable inputs in which little or no market data exists, therefore, requiring an entity to develop its own assumptions. The asset's or liability's fair value measurement within the hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Custodial Accounts

The Council acts as the fiscal sponsor for various other scouting units. As the fiscal sponsor, the Council coordinates the financial activities, through the receipt and disbursement of funds, on behalf of the various units. Revenue and expenses are not recognized in the accompanying consolidated statements of activities. Cash receipts in excess of disbursements are reflected in the custodial accounts liability in the consolidated statements of financial position.

ASC 842 Lease Accounting

The Council is a lessee in an operating lease and a finance lease. If the contract provides the Council the right to substantially all the economic benefits and the right to direct the use of the identified asset, it is considered to be or contain a lease. Right-of-use (ROU) assets and lease liabilities are recognized at the lease commencement date based on the present value of the future lease payments over the expected lease term. The ROU asset is also adjusted for any lease prepayments made, lease incentives received, and initial direct costs incurred.

The lease liability is initially and subsequently recognized based on the present value of its future lease payments. Variable payments are included in the future lease payments when those variable payments depend on an index or a rate. Increases (decreases) to variable lease payments due to subsequent changes in an index or rate are recorded as variable lease expense (income) in the future period in which they are incurred.

The Council has elected to use a risk-free rate for a term similar to the underlying lease as the discount rate if the implicit rate in the lease contract is not readily determinable.

The ROU asset for operating leases is subsequently measured throughout the lease term at the amount of the remeasured lease liability (i.e., present value of the remaining lease payments), plus unamortized initial direct costs, plus (minus) any prepaid (accrued) lease payments, less the unamortized balance of lease incentives received, and any impairment recognized. The ROU asset for finance leases is amortized on a straight-line basis over the lease term. For operating leases with lease payments that fluctuate over the lease term, the total lease costs are recognized on a straight-line basis over the lease term.

Greater Hudson Valley Council Boy Scouts of America

Notes to Consolidated Financial Statements

Note 1: Summary of Significant Accounting Policies (Continued)

ASC 842 Lease Accounting (Continued)

For all underlying classes of assets, the Council has elected to not recognize ROU assets and lease liabilities for short-term leases that have a lease term of 12 months or less at lease commencement and do not include an option to purchase the underlying asset that the Council is reasonably certain to exercise. Leases containing termination clauses in which either party may terminate the lease without cause and the notice period is less than 12 months are deemed short-term leases with lease costs included in short-term lease expense. The Council recognizes short-term lease cost on a straight-line basis over the lease term.

The Council made an accounting policy election for all underlying classes of assets to not separate the lease components of a contract and its associated non-lease components such as lessor-provided maintenance and other services.

Contribution Revenue

Contributions, including promises to give, are considered conditional or unconditional, depending on the nature and existence of any donor or grantor conditions. A contribution or promise to give contains a donor or grantor condition when both of the following are present:

- An explicit identifying of a barrier, that is more than trivial, that must be overcome before the revenue can be earned and recognized
- An implicit right of return of assets transferred or a right of release of a donor or grantor's obligation to transfer assets promised, if the condition is not met

Conditional contributions are recognized when the barrier(s) to entitlement are overcome. Unconditional contributions are recognized as revenue when received.

Unconditional contributions or conditional contributions in which the conditions have been substantially met or explicitly waived by the donor are recorded as support with or without donor restrictions, depending on the existence and nature of any donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized.

Donated Materials, Facilities, and Services

Donated land, buildings, equipment, investments, and other noncash donations are recorded as contributions at their fair market value at their date of donation. The Council reports the donations as support without donor restrictions, unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets must be used, and gifts of cash or other assets that must be used to acquire long-lived assets are reported as net assets with donor restrictions. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Council reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Greater Hudson Valley Council Boy Scouts of America

Notes to Consolidated Financial Statements

Note 1: Summary of Significant Accounting Policies (Continued)

Donated Materials, Facilities, and Services (Continued)

Donated services that do not either require specialized skills or enhance nonfinancial assets are not recorded in the accompanying consolidated financial statements because no objective basis is available to measure the value of such services. A substantial number of volunteers have donated significant amounts of their time to the Council's program services and its fundraising campaigns, the value of which is not recorded in the accompanying consolidated financial statements.

Revenue Recognition

Revenue from Exchange Transactions: The Council recognizes revenue in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers*, as amended. ASU 2014-09 applies to exchange transactions with customers that are bound by contracts or similar arrangements and establishes a performance obligation approach to revenue recognition. The Council records the following exchange transaction revenue in its statements of activities for the years ending December 31, 2024 and 2023:

Trading Post sales - The Council's Service Center sells select Scouting-related items, primarily patches. The Council also operates a Trading Post at its summer camp, which sells Scouting-related merchandise on a retail basis to customers. The performance obligation is the delivery of the good to the customer. The transaction price is established by the Council based on retail prices suggested by the suppliers. As each item is individually priced, no allocation of the transaction price is necessary. The Council recognizes revenue as the customer pays and takes possession of the merchandise. Some merchandise is sold with a right of return. If probable customer returns exist at the end of an accounting period, the Council estimates and records in its financial statements a liability for such returns, which offsets revenue. No liability for probable customer returns was considered necessary as of December 31, 2024 and 2023.

Product sales - To help Scout packs and troops raise the money they need to fund programs and activities throughout the year, the Council participates in the Trail's End Popcorn program. Scout packs and troops purchase popcorn from the Council, which they then resell to customers. The Scout packs and troops earn a commission of 35% on each sale they make, which may be used to offset the price of the popcorn they purchase from the Council. The popcorn sale also helps the Council raise money in support of its programs. Popcorn sales to Scout units start in the fall of each year, with the units placing their orders online through the Trail's End website. The price the Scout unit pays for the popcorn is established by the Council, and each item is individually priced, so no allocation of the transaction price is required. Many BSA units are allowed to purchase popcorn "on account" with payment due at a later date. Per FASB ASU 2014-09, the Council is required to assess the probability of collecting these accounts receivable in order to determine whether there is a substantive transaction between the Council and the unit. In making this collectability assessment, the Council exercises judgment and considers all facts and circumstances, including its knowledge of the customer. The Council uses the Trail's End website to track and manage unit accounts receivable. With popcorn sales, the performance obligation is delivery of the product, which is fulfilled by the Council at predetermined times and locations. Revenue recognition occurs when the product has been delivered. The Council presents separately in its statements of activities and changes in net assets gross revenues from popcorn sales, cost of goods sold, and unit commissions (retained by or paid to the unit). Scout units have the right to return to the Council any unsold product, subject to a return-by date. As of December 31, 2024 and 2023, minimal popcorn returns existed. Accordingly, no liability for probable customer returns was considered necessary.

Greater Hudson Valley Council Boy Scouts of America

Notes to Consolidated Financial Statements

Note 1: Summary of Significant Accounting Policies (Continued)

Revenue Recognition (Continued)

Camping and Activity revenue - The Council conducts program-related experiences such as Day Camps, Day Hikes, Weekend Overnights, Camporees, and Summer Camps where the performance obligation is delivery of the program. Fees for camps and activities are set by the Council. For resident camps, fees include program supplies, meals, lodging, recognition items, staffing, and facility costs. As is customary, these items are not separately priced and are therefore considered to be one performance obligation. Activities such as the National Scout Jamboree may include a transportation component in the transaction price. Some special camp programs do incur additional fees (shooting sports, for example), which are separately priced. BSA activities such as Wood Badge may involve program supplies, recognition items, and meals, and are also considered to be one performance obligation. Fees collected in advance of delivery of the camp or activity are initially recognized as liabilities (deferred revenue) and are only recognized in the statements of activities after delivery of the program has occurred.

Special event revenue - The Council conducts special events in which a portion of the gross proceeds paid by the participant represents payment for the direct cost of the benefits received by the participant at the event— the exchange component, and a portion represents a contribution to the Council. Unless a verifiable objective means exists to demonstrate otherwise, the fair value of meals and entertainment provided at special events is measured at the actual cost to the Council. The contribution component is the excess of the gross proceeds over the fair value of the direct donor benefit. The direct costs of the special events, which ultimately benefit the donor rather than the Council, are recorded as costs of direct donor benefits in the statement of activities and changes in net assets. The performance obligation is delivery of the event, which is usually accompanied by a presentation. The event fee is set by the Council. FASB ASU 2014-09 requires allocation of the transaction price to the performance obligations. Accordingly, the Council separately presents in its notes to financial statements the exchange and contribution components of the gross proceeds from special events. Special event fees collected by the Council in advance of its delivery are initially recognized as liabilities (deferred revenue) and recognized as special event revenue after delivery of the event. For special event fees received before year-end for an event to occur after year-end, the Council follows AICPA guidance where the inherent contribution is conditioned on the event taking place and is therefore treated as a refundable advance along with the exchange component.

Council Participation Fees - An annual Council Participation Fee is assessed to all youth participating in Cub Scouts, Scouts BSA and Venturing programs and collected as a part of a unit's annual re-registration, often referred to as "rechartering." Nationwide, many councils have successfully transitioned to Council participation/program fees to replace the traditional Family Friends of Scouting fundraising campaign. This allows the Council staff and volunteer time to be used in directly supporting its units and programs instead of soliciting contributions. Identification of the contract is the paid participation/program fee. The participation fee makes it possible for the Council to provide district activities, like Day Camps and Camporees, extensive camping adventures including family camping weekends, program resources, liability insurance for those participating in approved Scouting activities, and youth protection—all of which are essential and integral to delivering the Scouting program. Each promised service described above is capable of being distinct.

Greater Hudson Valley Council Boy Scouts of America

Notes to Consolidated Financial Statements

Note 1: Summary of Significant Accounting Policies (Continued)

Revenue Recognition (Continued)

For instance, the Council could hire a consulting firm to develop program resources for members. However, the promises involve tightly integrated services that the Council needs to attract, enroll, educate, protect, and support its members, all of which are highly interrelated and dependent on other services in the contract. The Council has no history of selling individual services (i.e., program resources) to any member on a standalone basis and does not market or sell its services piecemeal. Members benefit from the services provided by the BSA as customers are able to join the BSA and participate in the Scouting program. As a result, none of these promised services are considered “distinct” on their own since they are not distinct within the context of the customer contracts. All promised services have been bundled as part of a single performance obligation, which is to attract, enroll, educate, protect, and support its members.

The Council has concluded that the single identified performance obligation is delivered as its members receive and consume benefits. This occurs ratably over the annual membership period. The transaction price is clearly indicated on the online unit recharter application. As fees are separately identified on the online forms and directly associated with the performance obligation, the full transaction price is allocated to the single performance obligation. Participation fee revenues are recognized ratably over the annual membership period as the Council delivers its single performance obligation. Participation fees collected in advance of satisfaction of the BSA’s performance obligation are recorded as a contract liabilities (i.e., deferred revenues). Contract liabilities are reclassified to revenues as the revenues are earned over the annual membership period.

Commencing in 2024, registration fees are paid over a rolling twelve months based on when the youth registers as a member, as opposed to the payments being made in a fixed period in prior years. This change increased the amount of deferred revenue recorded for registration fees on December 31, 2024 by \$243,909.

Other Revenue - Other revenue consists of rent revenue and other miscellaneous revenue. Rent revenue is recognized on a monthly basis as earned. Other revenue is insignificant and is recognized when received.

Sales and other taxes the Council collects concurrent with revenue-producing activities are excluded from revenue.

Note 1: Summary of Significant Accounting Policies (Continued)

Functional Allocation of Expenses

The costs of providing the Scouting program and supporting services have been summarized on the consolidated statement of activities and changes in net assets on a functional basis. Most expenses can be directly attributed to the program or supporting functions. Certain categories of expenses are attributed to more than one functional category. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include depreciation, interest, and office and occupancy, which are allocated on a square-footage basis, as well as salaries and benefits, insurance, and professional fees, which are allocated on the basis of estimates of time and effort. The basis of allocation of these expenses is the result of a time study of staff performed every 3 years. The percentage of time allocated to each of the programs and the supporting functions is based on the average of the results of three separate studies and is applied to the expenses that are allocated. In accordance with the policy of the National Council of the Boy Scouts of America (the "National Council"), the payment of the charter fee to the National Council is not allocated as a functional expense. The consolidated financial statements report expenses by function in the consolidated statements of functional expenses.

Income Taxes

The Council is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code, except on net income derived from unrelated business activities. The Council is classified as a public charity. The Council currently has no unrelated business income. Accordingly, no provision for income taxes has been recorded.

The Council assesses whether it is more likely than not that a tax position will be sustained upon examination of the technical merits or the position, assuming the taxing authority has full knowledge of all information. If the tax position does not meet the more likely than not recognition threshold, the benefit of the tax position is not recognized in the financial statements. The Council recorded no assets or liabilities for uncertain tax positions or unrecognized tax benefits.

Use of Estimates

The preparation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Subsequent Events

The Council has evaluated events and transactions for potential recognition or disclosure in the financial statements through REPORT DATE October 6, 2025, which is the date the consolidated financial statements were available to be issued.

Greater Hudson Valley Council Boy Scouts of America

Notes to Consolidated Financial Statements

Note 2: Accounts Receivable and Contract Balances

Opening and closing balances for contract assets, contract liabilities, and accounts receivable arising from contracts with customers include

	12/31/2024	12/31/2023	1/1/2023
Contract liabilities (deferred revenue)	\$ 364,832	\$ 424,933	\$ 274,749
Accounts receivable	\$ 13,488	\$ 78,260	\$ 15,648

Contract assets arise when the Council transfers goods or services to a customer in advance of receiving consideration and the right to consideration is conditioned on something other than the passage of time. Contract assets are transferred to receivables when the right to receive consideration becomes unconditional and the Council is able to invoice the customer. There were no contract assets at December 31, 2024 or 2023 or January 1, 2023. Contract liabilities represent the Council's obligation to transfer goods or services to a customer when consideration has already been received from the customer. When transfer of control of the related good or service occurs, contract liabilities are reclassified, and revenue is recognized.

Note 3: Contributions Receivable

Contributions receivable consisted of the following:

<i>Years Ended December 31,</i>	2024	2023
Friends of Scouting	\$ 1,800	\$ 1,450
Special events	4,475	2,125
Other direct	1,700	-
Total	\$ 7,975	\$ 3,575

Contributions receivable are expected to be collected as follows:

<i>As of December 31,</i>	2024	2023
Less than one year	\$ 7,975	\$ 3,575
Less allowance for doubtful accounts	(1,600)	(1,450)
Contributions receivable - net	\$ 6,375	\$ 2,125

Greater Hudson Valley Council Boy Scouts of America

Note 4: Property and Equipment

A summary of property and equipment is as follows:

<i>As of December 31, 2024</i>	Estimated Life	Cost	Accumulated Depreciation	Net
Land		\$ 1,114,005	\$ -	\$ 1,114,005
Land improvements	10 yrs	741,195	569,568	171,627
Buildings	50 yrs	7,882,767	5,323,843	2,558,924
Leasehold improvements	20 yrs	410,330	177,127	233,203
Camp equipment	10 yrs	790,292	582,342	207,950
Office equipment	3 - 10 yrs	46,752	37,953	8,799
Vehicles	4 yrs	897,594	837,342	60,252
Construction in progress		96,923	-	96,923
Total		\$ 11,979,858	\$ 7,528,175	\$ 4,451,683

<i>As of December 31, 2023</i>	Estimated Life	Cost	Accumulated Depreciation	Net
Land		\$ 1,114,005	\$ -	\$ 1,114,005
Land improvements	10 yrs	628,654	543,973	84,681
Buildings	50 yrs	7,508,879	5,083,218	2,425,661
Leasehold improvements	20 yrs	410,330	160,558	249,772
Camp equipment	10 yrs	782,225	594,182	188,043
Office equipment	3 - 10 yrs	46,752	36,815	9,937
Vehicles	4 yrs	837,099	815,143	21,956
Construction in progress		489,707	-	489,707
Total		\$ 11,817,651	\$ 7,233,889	\$ 4,583,762

Depreciation expense totaled \$326,195 and \$309,515 for the years ending December 31, 2024 and 2023, respectively.

Greater Hudson Valley Council Boy Scouts of America

Notes to Consolidated Financial Statements

Note 5: Investments

Investments consisted of the following:

<i>As of December 31,</i>	2024	2023
Cash	\$ 130,112	\$ 68,421
Money market funds	-	162,108
Common stock	3,024,695	2,665,859
Corporate bonds	24,620	75,588
US Treasury bonds	898,428	860,778
BSA Commingled Endowment Fund L.P.	6,418,360	6,714,012
Total	\$ 10,496,215	\$ 10,546,766

Net investment income consisted of the following:

<i>Years Ended December 31,</i>	2024	2023
Interest and dividends	\$ 323,231	\$ 101,024
Realized gain	283,561	251,514
Unrealized gain	437,928	384,306
Fees	(46,474)	(55,148)
Total investment income (loss)	\$ 998,246	\$ 681,696

Income from interest and dividends on investments and realized and unrealized gains and losses on the sales of investments ("Investment Income, Gains, and Losses") are recorded initially in the Endowment Fund. Distributions of Investment Income, Gains, and Losses from the Endowment Fund are recorded as income by the Operating and Capital Funds in the period in which the distributions are made in accordance with the Council's spending policy. For 2024 and 2023, investment expenses were \$46,474 and \$55,148 and were included in investment income - net in the statements of activities.

Note 6: Fair Value Measurements

Following is a description of the valuation methodologies used for assets measured at fair value.

- Money market funds are measured at cost which approximates fair value.
- Common stocks are valued at the daily closing price in an active market.

Greater Hudson Valley Council Boy Scouts of America

Notes to Consolidated Financial Statements

Note 6: Fair Value Measurements (Continued)

- Corporate and US Treasury bonds and municipal bonds are valued using inputs including yields currently available on comparable securities of issuers with similar credit ratings, recent market price quotations (where observable), bond spreads, and fundamental data relating to the issuer.
- BSA Commingled Endowment Fund LP (“BSA Fund”) - Investments held by the BSA Fund are valued at fair value based on the closing price for securities listed on a securities exchange, the closing bid or ask price for over-the-counter securities not listed on a securities exchange, or at cost or at a value obtained from an independent pricing service for securities not listed or traded on any exchange or on the over-the-counter market. The custodian of the investments in the BSA Fund also has the ability to determine the fair value of securities not listed or traded on any exchange or on the over-the-counter market based on available information. The BSA Fund is valued at the number of units held by the Council and the Fund’s unit value (NAV).
- Beneficial interest in charitable gift annuity - The fair value is based on the present value of future payments to be made to other beneficiaries.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, while the Council believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents the balances of assets measured at fair value on a recurring basis by level within the fair value hierarchy:

	Fair Value of Assets as of December 31, 2024				
	Level 1	Level 2	Level 3	Measured at NAV	Total
Cash	\$ 130,112	\$ -	\$ -	\$ -	\$ 130,112

Total assets at fair value	\$ 2,896,388	\$ 936,366	\$ 8,414	\$ 6,714,012	\$ -	\$ 10,555,180

There were no assets or liabilities measured at fair value on a nonrecurring basis as of December 31, 2024 and 2023.

Assets measured at fair value on a recurring basis using significant unobservable inputs (Level 3) consisted beneficial interest in gift annuity, with activity as follows for the years ended December 31, 2024 and 2023:

January 1, 2023	\$ 9,426
Change in value	(1,012)
December 31, 2023	8,414
Change in value	(876)
December 31, 2024	\$ 7,538

Greater Hudson Valley Council Boy Scouts of America

Notes to Consolidated Financial Statements

Note 6: Fair Value Measurements (Continued)

Fair Value of Investments in Entities That Use NAV

The following table summarizes investments measured at fair value based on NAV per share as of December 31:

<i>December 31, 2024</i>	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
BSA commingled endowment fund L.P.	\$ 6,418,360	N/A	Monthly	10 bus. days prior to EOM for dist. at EOM
<i>December 31, 2023</i>	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
BSA commingled endowment fund L.P.	\$ 6,714,012	N/A	Monthly	10 bus. days prior to EOM for dist. at EOM

BSA Commingled Endowment Fund, LP (BSA Fund) -The purpose of the BSA Fund is to serve as a high-quality, low-cost alternative for the BSA, BSA local councils, and qualified affiliates to invest their endowment funds. As such, the BSA Fund is a perpetual fund, with safety and preservation of capital primary considerations. Accordingly, the BSA Fund's asset allocation is sufficiently diversified to maintain risk at a prudent level with a long-term target return sufficient to cover a 4.5% annual spending rate plus fund expenses plus an allowance for inflation, while preserving the buying power of the corpus. BSA Asset Management, LLC is the General Partner.

The partnership agreement provides that any partner may request a withdrawal of all or any portion of its capital account monthly. The partner must request a withdrawal 10 business days prior to the end of the month to receive the proceeds at the end of that month. Requests submitted less than 10 business days prior to month end are handled on a best efforts basis by the General Partner. In the event any partner properly requests or is deemed to have requested, during any year, withdrawals exceeding 99% of its capital account, in its sole discretion the General Partner may make such distribution up to 99% of the partner's capital account and retain the remainder for 45 days after the end of the calendar month in which the partner's request for withdrawal is effective in order to allow time to determine whether any adjustments to the capital accounts are necessary in light of available financial information. If, after completion of the annual audit, any distribution to or withdrawal by a partner is determined to be excessive, then the amount of such excess is to be reimbursed to the BSA Fund by the affected partner(s).

Greater Hudson Valley Council Boy Scouts of America

Notes to Consolidated Financial Statements

Note 7: Leases

The Council leases building space for the Scout Shop and regional office space in Hudson Valley Tower Center at Fishkill, New York. The Council is responsible for monthly rental payments ranging from \$6,500 to \$9,215.

In 2024, the Council entered into a modification agreement with lessor to extend the term of the office space lease for additional two years, commencing on the original lease expiration date of January, 2029. This modification was treated as a change in terms of the existing operating lease and not as a separate contract. As a result of this modification, the Council remeasured the lease liability based on the updated lease payments for the extended term and the borrowing rate at the effective date of the modification. The right of use asset was adjusted by the difference between the previous lease liability and the remeasured lease liability.

The Council also leases a copier machine through May 2025 for monthly rental payments of \$924.

The exercise of lease renewal options is at the Council's sole discretion. Renewal option periods are included in the measurement of the ROU asset and lease liability when the exercise is reasonably certain to occur.

The depreciable life of assets and leasehold improvements are limited by the expected lease term, unless there is a transfer of title or purchase option reasonably certain of exercise. The Council's lease agreements do not contain any material residual value guarantees or material restrictive covenants. Payments due under the lease contracts include only fixed payments.

Components of lease expense were as follows for the years ended December 31:

	2024	2023
Lease cost		
Interest	\$ 135	\$ 287
Amortization of right-of-use asset	10,697	10,697
Operating lease cost	101,198	66,830
Total lease cost	\$ 112,030	\$ 77,814

Supplemental cash flow information related to leases is as follows for the years ended December 31:

	2024	2023
Other information		
Cash paid for amounts included in the measurement of lease liabilities:		
Operating cash flows from finance leases	\$ 135	\$ 287
Operating cash flows from operating leases	83,353	58,290
Financing cash flows from finance leases	10,953	\$ 10,801

Greater Hudson Valley Council Boy Scouts of America

Notes to Consolidated Financial Statements

Note 7: Leases (Continued)

Supplemental balance sheet information related to leases is as follows as of December 31:

	2024	2023
Weighted-average remaining lease term - Finance leases	0.33 year	1.33 years
Weighted-average remaining lease term - Operating leases	6.33 years	5 years
Weighted-average discount rate - Finance leases	1.40%	1.40%
Weighted-average discount rate - Operating leases	3.95%	1.78%

Maturities of lease liabilities are as follows as of December 31, 2024:

<i>Years Ended December 31,</i>	Operating Leases	Finance Leases
2025	\$ 90,262	\$ 3,685
2026	96,580	-
2027	103,341	-
2028	110,575	-
2029	110,575	-
Thereafter	147,433	-
Total lease payments	658,766	3,685
Less imputed interest	(79,680)	-
Total	\$ 579,086	\$ 3,685

Greater Hudson Valley Council Boy Scouts of America

Notes to Consolidated Financial Statements

Note 8: Long-Term Debt

Long-term debt consisted of the following at December 31, 2024 and 2023:

	2024	2023
Note dated May 2020 to Small Business Administration for \$150,000, due in monthly payments of \$641 including interest at 2.75%, beginning May 2022 (payment of accrued interest only to May 2022) until May 2050 when remaining principal and interest is due. Collateralized by an interest in the Council's real estate.	\$ 140,648	\$ 144,406
Total long-term liabilities	140,648	144,406
Less: current maturities	(7,692)	(7,692)
Total long-term liabilities, net	\$ 132,956	\$ 136,714

Approximate future annual minimum payments as of December 31, 2024 are as follows:

2025	\$	7,692
2026		7,692
2027		7,692
2028		7,692
2029		7,692
Thereafter		102,188
Total	\$	140,648

Note 9: Line of Credit

The Council has a \$500,000 revolving line of credit agreement with a bank with a maturity date of March 16, 2029. The loan bears interest at a variable rate. The line is secured by the assets of the Council. The interest rate at December 31, 2024 and 2023 were 7.75% and 8.50%, respectively. The balance on the line of credit at December 31, 2024 and 2023 were \$225,000 and \$100,000, respectively.

Greater Hudson Valley Council Boy Scouts of America

Notes to Consolidated Financial Statements

Note 10: Endowments

The Council's endowments consist of three individual funds established for specific purposes. Its endowments includes donor-restricted endowment funds and funds designated by the Board of Directors to function as endowments. As required by accounting principles generally accepted in the United States, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

The Council is subject to the State Prudent Management of Institutional Funds Act (SPMIFA) and, thus, classifies amounts in its donor-restricted endowment funds as net assets with donor restrictions because those net assets are time restricted until the Board of Directors appropriates such amounts for expenditure. Most of those net assets also are subject to purpose restrictions that must be met before reclassifying those net assets to net assets without donor restrictions. The Board of Directors has interpreted SPMIFA as not requiring the maintenance of the purchasing power of the original gift amount that was contributed to an endowment fund, unless a donor stipulates to the contrary. As a result of this interpretation, when reviewing its donor-restricted endowment funds, the Council considers a fund to be underwater if the fair value of the fund is less than the sum of (a) the original value of initial and subsequent gift amounts donated to the fund and (b) any accumulations to the fund that are required to be maintained in perpetuity in accordance with the direction of the applicable donor gift instrument. The Council has interpreted SPMIFA to permit spending from underwater funds in accordance with the prudent measures required under the law. Additionally, in accordance with SPMIFA, the Council considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The purposes of the Council and the donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the Council
- (7) The investment policies of the Council

Return Objectives and Spending Policy

The assets of the Trusts are managed so as to provide the highest total return consistent with prudent investment practices, providing for long-term returns sufficient to cover the return requirements of the spending formula. While the formula is targeted at not more than five percent multiplied by the average market value for the twelve contiguous calendar quarters ending September 30th of the preceding year, the actual spending rate percentage is calculated by the Council's Budget Steering Committee and is subject to the approval of the Board. In addition to the budgeted appropriations, additional support was approved to fund Capital Fund expenditures and Operating Fund liabilities.

Greater Hudson Valley Council Boy Scouts of America

Notes to Consolidated Financial Statements

Note 10: Endowments (Continued)

Composition of endowment net assets for the year ended December 31, 2024, was as follows:

	Without Donor Restrictions	With Donor Restrictions	Total
Donor-restricted endowment funds	\$ -	\$ 9,089,468	\$ 9,089,468
Board-designated endowment funds	1,757,463	-	1,757,463
Total	\$ 1,757,463	\$ 9,089,468	\$ 10,846,931

Composition of endowment net assets for the year ended December 31, 2023, was as follows:

	Without Donor Restrictions	With Donor Restrictions	Total
Donor-restricted endowment funds	\$ -	\$ 8,809,698	\$ 8,809,698
Board-designated endowment funds	1,943,207	-	1,943,207
Total	\$ 1,943,207	\$ 8,809,698	\$ 10,752,905

Greater Hudson Valley Council Boy Scouts of America

Notes to Consolidated Financial Statements

Note 10: Endowments (Continued)

Changes in endowment net assets for the year ended December 31, 2024 are as follows:

	Without Donor Restrictions	With Donor Restrictions	Total
Endowment net assets, beginning of the year	\$ 1,943,207	\$ 8,809,698	\$ 10,752,905
Contributions	-	2,001	2,001
Interest and dividends	378,977	(55,746)	323,231
Realized and unrealized gains	257,909	463,580	721,489
Investment fees	(46,474)	-	(46,474)
Expenses	(46,973)	-	(46,973)
Change in value of beneficial interest in charitable gift annuity	-	(876)	(876)
Adjustments to net assets	129,189	(129,189)	-
Appropriation of endowment net assets for expenditure pursuant to spending policy	(858,372)	-	(858,372)
Endowment net assets, end of year	\$ 1,757,463	\$ 9,089,468	\$ 10,846,931

Changes in endowment net assets for the year ended December 31, 2023 are as follows:

	Without Donor Restrictions	With Donor Restrictions	Total
Endowment net assets, beginning of the year	\$ 2,408,246	\$ 8,549,146	\$ 10,957,392
Contributions	-	38,281	38,281
Investment income	101,024	-	101,024
Realized and unrealized losses	412,537	223,283	635,820
Investment fees	(55,148)	-	(55,148)
Expenses	(55,173)	-	(55,173)
Change in value of beneficial interest in charitable gift annuity	-	(1,012)	(1,012)
Appropriation of endowment net assets for expenditure pursuant to spending policy	(868,279)	-	(868,279)
Endowment net assets, end of year	\$ 1,943,207	\$ 8,809,698	\$ 10,752,905

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level the donor or SPMIFA requires the Council to retain as a fund of perpetual duration. Deficiencies of this nature result from unfavorable market fluctuations and would be included in net assets with donor restrictions. As of December 31, 2024 and 2023, there were no such deficiencies.

<hr/>				
Total net assets with donor restrictions	\$ 32,998	\$ 812,165	\$ 8,809,698	\$ 9,654,861

Net assets were released from donor restrictions during 2024 and 2023 by incurring expenses satisfying the restricted purposes or by the occurrence of other events specified by the donors as follows as of December 31:

<i>Years Ended December 31,</i>	2024	2023
Satisfaction of program restrictions:		
Campership Fund	\$ 860	\$ 16,132
Capital campaign	12,500	-
<hr/>		
Satisfaction of time restrictions:		
Friends of Scouting	1,600	-
<hr/>		
Total net assets released from restriction	\$ 14,960	\$ 16,132

Greater Hudson Valley Council Boy Scouts of America

Notes to Consolidated Financial Statements

Note 12: Special event revenue

Gross receipts from special fundraising events recorded by the Council consist of exchange transaction revenue and contribution revenue as follows.

<i>For the Years Ended December 31,</i>	2024	2023
Contribution revenue	\$ 160,310	\$ 130,447
Exchange transaction revenue (benefit to customer)	78,093	67,117
Total special event revenue	\$ 238,403	\$ 197,564

Note 13: Employee Benefit Plans

BSA Retirement Program

Local councils contributed 7.75% of the employee's compensation to the BSA retirement program through January 31, 2021. Effective February 1, 2021, the council's contribution to the BSA retirement program increased from 7.75% to 12%. Local councils are invoiced by the National council on a monthly basis for the difference between the 12% and the employer contributions to the BSA Match Savings Plan (see below). Retirement program expense (excluding the contributions made by employees) was \$117,230 and \$105,981 in 2024 and 2023, respectively, and covered current service cost.

BSA Match Savings Plan

The Council participates in a defined contribution plan established by the National Council of the Boy Scouts of America. The plan name is the BSA Match Savings Plan, which covers substantially all of the employees of the Council. Participants in the BSA Match Savings Plan may elect to make voluntary before-tax and/or Roth after-tax contributions based on a percentage of their pay, subject to certain limitations set forth in the Internal Revenue Code of 1986, as amended. The Council matches employee contributions to the BSA Match Savings Plan up to 50 percent of contributions from each participant, limited to 6 percent of each employee's gross pay. The Council contributed \$33,074 and \$29,530 to the BSA Match Savings Plan in 2024 and 2023, respectively.

Health Care Plan

The Council's employees participate in a health care plan provided by the National Council. The Council pays a portion of the cost for the employees, and the employees pay the remaining portion and the cost for any of their dependents participating in the plan. During the years ended December 31, 2024 and 2023, the Council remitted \$71,723 and \$63,070, respectively, on behalf of its employees to the National Council related to the health care plan.

Notes to Consolidated Financial Statements

Note 14: Related Parties

The Council pays a national service fee to the Boy Scouts of America, Inc. (BSA), a related party, annually. The BSA oversees the Council's program and sets rules and regulations that the Council must follow. For the years ended December 31, 2024 and 2023 this fee totaled \$81,696 and \$64,883, respectively.

Note 15: Rental Income

The National Council operates a Scout shop within the Fishkill New York area. The National Council manages the Scout shop and pays the Council a commission of 8 percent on gross sales up to \$750,000 and 13 percent on sales in excess of \$750,000. The commissions earned (before expenses) by the Council during 2024 and 2023 amounted to \$32,820 and \$34,628, respectively, which are included in other revenue in the statements of activities.

Note 16: Concentration of Credit Risk

The Council maintains cash balances at financial institutions where the accounts are insured by the Federal Deposit Insurance Corporation (FDIC) for up to \$250,000. At certain times during the year, cash balances may be in excess of FDIC coverage. The Council has not experienced any losses in such accounts, and believes it is not exposed to any significant credit risk on cash.

Note 17: Liquidity and Availability of Resources

The Council's financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, are as follows:

<i>As of December 31,</i>	2024	2023
Cash - Operating Fund	\$ -	\$ 543,400
Accounts receivable - Operating Fund	13,488	43,751
Contributions receivable - Operating Fund	6,375	2,125
Total financial assets as of end of year	19,863	589,276
Appropriation from board-designated endowment for general expenditure in subsequent year	575,819	925,820
Less: Net assets with donor restrictions	(42,803)	(32,998)
Less: Custodial accounts	(183,199)	(231,432)
Financial assets available to meet cash needs for general expenditures within one year	\$ 369,680	\$ 1,250,666

Greater Hudson Valley Council Boy Scouts of America

Notes to Consolidated Financial Statements

Note 17: Liquidity and Availability of Resources (Continued)

The Council's endowment funds consist of donor-restricted endowments and a Board-designated endowment. Income from donor-restricted endowments is restricted for specific purposes and, therefore, is not available for general expenditure. The Board designated endowment has a spending rate of up to 5% of the three year average balance of the endowment fund at the end of the second quarter of the previous budget year, \$575,819 and \$925,820 of appropriations from the endowment will be available within the next 12 months as of December 31, 2024 and 2023, respectively.

As part of the Council's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. In addition, the Council invests cash in excess of daily requirements in short-term investments. The Council has a committed line of credit in the amount of \$500,000 at December 31, 2024, that could be drawn on to manage unanticipated liquidity needs. Additionally, the Council has a Board-designated endowment of \$1,757,463. Although the Council does not intend to spend from its Board-designated endowment other than amounts appropriated for general expenditure as part of its annual budget approval and appropriation process, amounts from its board-designated endowment could be made available if necessary.

Note 18: Commitments and Contingencies

Litigation and Contingencies

The Council is insured through the BSA General Liability Insurance Program ("GLIP"), which covers the National Council and all local councils on a worldwide basis. This program, which began in 1978, is composed of primary insurance and excess liability insurance provided by a number of companies. GLIP provides primary coverage with respect to claims arising out of Official Scouting Activities and responds to allegations of negligent actions by third parties that result in personal injury or property damage claims. The Council was made aware of claims alleging sexual abuse against it. A number of those claims were not formally filed against the Council and were asserted in claims forms in connection with the National Council's bankruptcy.

On February 18, 2020, the National Council filed for relief under Chapter 11 of the United States Bankruptcy Code to resolve all sexual abuse litigation against the National Council and against all local councils, including the Council, that arose prior to the date of filing. On September 8, 2022, the Bankruptcy Court entered an order confirming the Third Modified Fifth Amended Chapter 11 Plan of Reorganization, which required all local councils, including the Council, to make a substantial contribution to the Settlement Trust in exchange for such protection from sexual abuse claims. The Council committed to contribute \$6,367,835 to the Settlement Trust in accordance with the Plan of Reorganization. The Council paid the full amount of \$6,367,835 to the Settlement Trust in 2022, satisfying the Council's obligation. To fund the payment, the Council utilized the following: (1) \$1,000,000 of the proceeds from the sale of the Westchester-Putnam Council's service headquarters in 2021, (2) the Council sold Camp Nooteeming for \$4,000,000 to Dutchess County in 2022, (3) transfer from the Durland Trust of \$1,000,000 and Bullowa Trust of \$500,000. The National Council emerged from bankruptcy on April 19, 2023.
